## **Construction Notice**

### ***Drainage Improvements and Traffic Calming to begin on Pemberton St, Road Closure between Yerxa Rd and Haskell St***

*On Monday, September 11, 2006 (weather permitting), the City's contractor, JF White Contracting Co, will begin construction for drainage improvements, sidewalks and traffic calming (raised intersection) on Pemberton St, between Yerxa Rd and Haskell St.*

*While work hours for this construction will be Monday through Friday, from 7 AM to 4 PM, the work zone will be closed to traffic 24-hours a day, seven days a week, for the duration of construction (approximately four weeks). Please see the reverse of this handout for a map detailing this road closure.*

During construction:

- Yerxa Rd will continue to function as a two-way street.
- Haskell St will continue to function as a one-way street (and can be accessed via Rindge Ave to Fairfield St to Pemberton St).
- Pemberton St will function as normal (one-way from Fairfield St to Rindge Ave, two-way elsewhere).
- The sidewalk next to the tennis courts will be closed to pedestrians.
- The sidewalk next to the baseball field will remain open and accessible.
- There will be no parking within the work zone, but parking elsewhere will be unaffected.

We thank you for your patience and understanding during this construction. If you have any questions, please call Gary Agnello at the CDM Field Office (the trailer next to the tennis courts) during work hours at (617) 293-9386. If any emergency occurs after hours, please call the DPW 24-hour line at (617) 349-4860.

Sincerely,

Gary Agnello  
Cambridge DPW Engineer
